Understanding your bill

Customer Charge (Electric): Charge includes costs for metering services and billing and payment processing, which may be avoided by switching to an energy service company (ESCO).

Billing charges: These charges are for the electricity you need (supply) and getting the electricity to you (delivery). Rates are based on a 30 day period. When your billing period is more or less than 30 days, we prorate your bill accordingly.

Delivery: Charge for maintaining the system through which Con Edison delivers electricity to you.

Electricity Supply: Charge for the electricity supplied to you by Con Edison.

GRT & other tax surcharges: Taxes on Con Edison gross receipts from sales of utility services and other tax surcharges.

Merchant Function Charge (Electric): Charge associated with procuring electricity, credit and collection related activities and uncollectible accounts.

Sales tax: Tax collected on behalf of New York City.

System Benefit Charge (Electric): The System Benefits Charge recovers costs associated with clean energy activities conducted by the New York State Energy Research and Development Authority (NYSERDA) and energy efficiency programs implemented by the Company.

We read your meter(s) this month. As a result, we cancelled estimated billing on your account. This is a corrected bill for the period shown based on the actual meter readings(s). We credited any payments you made to the new bill. We have the right to revise this bill if we obtain information which shows that it is incorrect.

Con Edison's offices will be closed Monday, September 05, in observance of Labor Day. In the event of an emergency, our call center is available 24 hours a day, every day, including the holiday. However, we will experience very high call volumes on Tuesday, September 06, and , . You can avoid an extended wait by not calling on those days.

The electric meter at your premises currently tracks demand and we show that usage on your bill. At this time, your account is not billed for the demand. If the demand exceeds 10 kW on two consecutive bills, we will reclassify the account under the appropriate demand rate and your bills will include a demand (kW) charge in addition to the energy (kWh) charge. For more information, visit www.coned.com/customercentral/demandbilling.asp.
